

### **VICTORIA COUNTY HISTORICAL SOCIETY**

The Victoria County Historical Society has begun its Fund Raising “Kick Off” and the Goal is \$250,000.00.

This campaign will enable the museum to open as planned in May 2011. The museum will display the great treasures that are presently in storage such as the wedding dress of Sir Sam Hughes’ daughter, Roby Hughes Green. There will be an archive department for research open to the public and displays of military items. Displays of the Victorian way of life in this area and many other historical items will be part of the permanent exhibits

This museum will become a major tourist attraction for our area plus a great place for school tours. As the Christmas season is approaching, a donation to the museum campaign would make a wonderful gift. Each recipient would receive a personalized Christmas card and the donor a charitable donations receipt.

Our Christmas house tour will be on Saturday December 4<sup>th</sup> and the reception will be at the Old Jail. This will give the community a chance to enjoy the tour and to see how the renovations are progressing.

### **OPEN THE DOORS TO THE PAST – BE PART OF THE FUTURE**

New archway in the main part of the  
Olde Jail Museum
